LB 579, 580, 591, 593

CLERK: Mr. President, Senator Warner moves to suspend Rule 3, Sections 5 and 19, Rule 6, Section 1, and place LB 591 and 593 on General File.

PRESIDENT LUEDTKE: It's 591 and 593. Alright, Senator Warner.

SENATOR WARNER: Just a word of explanation, Mr. President. Those are the two appropriation bills. The other two would go to the Reference Committee for their consideration.

Alright, all those in favor of suspending the rules under the rules specified in the motion vote aye and opposed nay. This is a suspension of the rules to place LB 591 and 593, the appropriation bills that were introduced this morning. They are the...they have to be...they are placed on General File. Have you all voted? Record the vote.

CLERK: 30 ayes, 0 nays on the motion to suspend the rules and place the bills on General File, Mr. President.

PRESIDENT LUEDTKE: The motion carries and the LB 591 and 593 are placed on General File pursuant to that rule. Anything else then?

CLERK: Mr. President, if I may briefly, your Committee on Business and Labor whose Chairman is Senator Maresh, to whom we referred LB 579 instructs me to report the same back to the Legislature with the recommendation that it be advanced to General File, with amendments, and 580 indefinitely postponed. Signed Senator Richard Maresh.

PRESIDENT LUEDTKE: Alright. The Chair recognizes Senator Chambers speaking on a point of personal privilege.

SENATOR CHAMBERS: Mr. Chairman this is a privilege of the House and it's not to refer to the unpleasant thing which just happened, but so you all will understand, these are slave handcuffs that I have on. I think they're appropriate. This morning's Journal does not, I feel, adequately reflect the record of what happened yesterday. It indicates that a recess occurred, but as a matter of fact, and by the way this is not a motion to change what the Journal says, that's why I didn't offer it as a correction. The motion made was to adjourn until 1:30 and that is the motion which was voted on and adopted. The rule
